Exploring the Intersections Between Study Group Findings A facilitated discussion led by Andrea Bowman, NDSU Extension Leadership and Civic Engagement Program Coordinator, and Katie Tyler, NDSU Extension Program Director and Specialist, Rural Leadership North Dakota.

Five breakout groups were formed and remote connections were provided for individuals that were not present in the Bavendick Stateroom. These breakout groups individually identified common themes and intersections among the study topics and reported out their findings to the entire group.

Tim Mihalick, SBHE Chair, and Dr. Mark Hagerott, NDUS Chancellor, concluded the summit with their summary thoughts and with thanks for all participants.

No action items were considered, and no votes were taken during the summit.

At 3:30 p.m. CT, Chair Mihalick adjourned the Envision 2035 Summit.

Approved December 7, 2023.
