III. Approval of Agenda
   a. Motion to approve agenda: Carla Sivesind (BSC), Kathy Obritsch (DSU), second. The agenda was unanimously approved.

IV. Old Business: Campus Staff Senates & Open Records/Meetings
   a. Noah Brisbin, Assistant General Council from the NDUS Office joined the meeting to discuss open records and meetings. It was discussed that Staff Senates are advisory in nature and do not necessarily have campus authority for decision making; therefore Staff Senates are not typically not bound to the ND Open Meetings and Records Law. Noah did suggest open meetings and records to promote transparency. If a staff senate creates a document within the course of conducting business, these documents are subject to open records laws. The NDUS has adopted
a retention schedule which should be followed for all documents. It was questioned whether it would be appropriate to have a closed staff senate meeting. Noah advised against holding a closed meeting without a legal and justifiable reason.

Posting of meeting minutes, agendas, and notices was discussed. Noah advised posting these items. BSC asked if it was appropriate to post these via a portal on their website, and this was deemed acceptable. It was questioned whether staff senates should do a roll call vote for elections. Noah said that while roll call votes are required at the SBHE level, it is up to each Staff Senate on how to conduct elections. Noah did advise that Staff Senates follow best practices for formal meetings. Diane Hillebrand (UND) suggested that ND State Staff Senate discuss this at the June face-to-face meeting and develop a set of suggestions for campuses to use.

V. Presentation by NDPERS re: health insurance effective July 1, 2015
   a. Sparb Collins, Executive Director for NDPERS joined the meeting to discuss the recent change from Blue Cross Blue Shield to Sanford Health Plan for health insurance coverage. Sparb gave a brief history of how this decision was made. The contract was sent out for bid, and BCBS offered a plan with a 20% increase, while SHP offered a plan with a 15% increase. Sanford has already made changes to accommodate the NDPERS contract including, setting up a call center and website specifically for NDPERS and developing a frequently asked questions document. Each campus was asked to distribute this document to employees. A summary plan document, new insurance cards, and additional information will be sent out as these items become available. Current deductibles and co-insurance will carry over from the old plan to the new plan. Health club benefits and activities will continue, and the intention is that benefits and points accumulated thus far will be rolled over into the new system. Sparb did share that SHP is working to include all current providers from the BCBS plan in the SHP network. Currently, Essentia Health of Fargo is not included, but Sparb stated that this is being addressed. Sparb reminded everyone that this plan is a unique plan and cannot be compared to other SHP plans. Sparb encouraged staff members to provide feedback and ask questions.
