DEFINITIONS

AUDIO:

ONE-WAY AUDIO – An audio communication from the instructor to the student where the student cannot provide an audio response (e.g. radio, audiotape).

TWO-WAY AUDIO – A conference, most frequently used over the telephone between two or more remote locations with live, audio transmission.

CENSUS DATA – Each campus shall report fall and spring semester enrollments for degree credit students based on the number of students enrolled on the twentieth scheduled class day of the fall and spring semesters.

CD ROM – Communications using a compact disc with read-only-memory.

COMBO – A combination of any of the delivery methods with no one method providing 50% or more of instruction.

CORRESPONDENCE – An independent study course in which all communications between the instructor and student is accomplished through the mail or fax. Instruction is given by means of a course syllabus, textbooks, video and audio cassette, and additional reference and instructional materials.

CREDIT HOUR – The unit by which an institution measures its course work for application towards a degree. Historically, each credit hour involves 15 or 16 fifty-minute periods of instruction per semester, or the equivalent.

DEGREE CREDIT – All instructional activities that can be applied toward college degree or credit based remedial courses taken by a degree seeking student as reported to IPEDS.

DEVELOPMENTAL COURSES – Developmental courses are basic academic skills courses designed to prepare students to complete regular academic degree-credit courses. Effective with the Fall 2010 term, all NDUS courses numbered less than 100 and English 100 and Math 101 and 102 are developmental courses. Developmental courses may count toward a student's full-time course load. Math 102 may be used to meet degree credit requirements in certificate, diploma and A.A.S. programs.

DUPLICATED COUNT – An enrollment count in which an individual student may be counted more than once because they are enrolled in more than one medium (e.g. face to face, correspondence, IVN) or on more than one campus.

E-LEARNING – Courses delivered through a technological medium. This category includes audio, video, cd rom and internet delivery of courses and excludes correspondence and face to face off campus.

ENROLLED STUDENTS – SBHE Policy 440 defines enrolled students as students who are registered for classes as of the 20th day of the term. SBHE Policy 830.1 requires all registered students to have paid tuition and fees or made arrangements to pay no later than the 12th day of the term.

FACE-TO-FACE – This term is used to describe the traditional classroom environment where the instructor and students are physically located in the same place.

FACE-TO-FACE OFF CAMPUS – Describes the traditional classroom setting where the instructor and students are physically located in the same place in an off campus location.

CAMPUS HEADCOUNT ENROLLMENT – Number of students enrolled at the institution following the twentieth day of classes of the term. Each student equals one headcount, regardless of credit hours taken.

FULL-TIME ENROLLMENTS – Number of headcount students enrolled at the institution following the twentieth day of classes of the term who are taking twelve or more credit hours.

FULL-TIME EQUIVALENT ENROLLMENT BASED ON STUDENT CREDIT HOURS – The total accumulative student credit hours by campus divided by the following:

Undergraduate	15 credit hours (100-400 number courses)
Graduate	12 credit hours (500 and above number courses)
Professional	Same as headcount — Law and Medicine
Occupational	16 credit hours – Selected Programs

FULL-TIME EQUIVALENT ENROLLMENT OF PART-TIME STUDENTS – The student credit hours accumulated at the undergraduate level divided by 15 plus the student credit hours accumulated at the graduate level divided by 12.

PART-TIME STUDENTS – The headcount enrollment of students enrolled for fewer than 12 credit hours.

INTERACTIVE VIDEO NETWORK (IVN) – A video conferencing network that provides two-way audio and two-way video allowing the teacher and students to be in different locations yet see and hear each other.

INTERNET:

ONLINE – Courses, discussions, or other communications occurring in an electronic format via the Internet.

ASYNCHRONOUS INTERNET – Online interaction occurring independent of time or location, e.g. email.

SYNCHRONOUS INTERNET – Online interaction occurring independent of location, but at the same time (real time), e.g. internet chat.

PRERECORDED VIDEO OR AUDIO – A video or audio communications that has been prerecorded on videotape or cassette. Recordings often complement other teaching methods, and content may be ongoing class sessions or specially produced for independent study.

STUDENT – All students taking degree credit courses, irrespective of the time of day or workload of the student.

BEGINNING FRESHMAN STUDENT – A full-time or part-time student attending any institution for the first time as a freshman. Because part-time students are included, this number is not the same as the IPEDS first-time full-time count.

COLLABORATIVE STUDENT – A student who enrolls in a course at an NDUS institution other than their home institution.

DUAL CREDIT STUDENT – A high school student who enrolls in college classes and also earns high school credit.

FIRST-TIME FRESHMAN STUDENT – A student attending any institution full-time for the first time at the undergraduate level. Includes students enrolled in academic or occupational programs. Also includes students enrolled in the fall term who attended college for the first time in the prior summer term, and students who entered with advanced standing (college credits earned before graduation from high school). This is a specific group (or cohort) established for tracking purposes and reported to IPEDS.

GRADUATE STUDENT – A students who holds a bachelor's or first professional degree, or equivalent, and is enrolled in a graduate degree program.

NON-RESIDENT STUDENT – A nonresident student, for the purposes of this report, is a student with a legal domicile outside of North Dakota.

PROFESSIONAL STUDENT – A student who has completed a baccalaureate degree and is enrolled in a post-baccalaureate program leading to a professional degree in law, medicine or pharmacy. (Note: IPEDS and the SBHE Policy recognize pharmacy as a first professional program. ConnectND is being adjusted to report pharmacy students as professional students.)

RESIDENT STUDENT – A resident student, for the purposes of this report, is a student having legal domicile in North Dakota.

SPECIAL/UNCLASSIFIED STUDENT – A student taking undergraduate or post-baccalaureate level credit courses without declaring an intention to earn a degree, diploma, or certificate although taking courses in regular classes with other students. This category also includes students who cannot be classified by academic level. High school students enrolled in college classes are considered a special/unclassified student.

TRANSFER STUDENT – A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level, e.g. undergraduate, graduate). The student may transfer with or without credit.

TRI-COLLEGE STUDENT – A student enrolled at Moorhead State University or Concordia College but also registered for one or more courses at NDSU.

UNDERGRADUATE STUDENT – A student who is enrolled in an undergraduate program. The year-level designation of an undergraduate student is determined by institutional policy.

STUDENTS' REPORTED HOME ADDRESS – The official home address as reported by the student. If no address is reported, the parents' address and then the local campus address is used.

SYSTEM HEADCOUNT – Number of students enrolled in the NDUS, who are enrolled at more than one campus, following the twentieth day of classes in the term.

TUITION RESIDENCY STATUS – Official institutionally determined residence for tuition purposes.

TV BROADCAST – Communication using the capabilities of educational television broadcasting over established cable networks or otherwise. Programs can be viewed live or prerecorded for a later pre-determined time for viewing.

LIVE – Faculty and students are in different locations at the same time. Only faculty member will be seen by the student, e.g. educational television network.

PRERECORDED – Faculty and students are in separate locations at different times. A course on the educational television network may be prerecorded for later pre-determined times of viewing.

VIDEO

ONE-WAY VIDEO – A conference between different locations where the communication links are made between orbiting satellites and various points on Earth. The video connection only allows for the faculty member to be seen and heard by the students.

TWO-WAY VIDEO – A video and audio communications session between two or more remote sites with live, animated image transmission and display. This connection allows for both the faculty and students to be seen and heard by each other.

UNDUPLICATED COUNTS – Students taking courses at more than one campus or through more than one instructional medium in the same semester are counted once.

NOTES

Under Enrollment Policy 440 adopted by the State Board of Higher Education in April of 2001, all degree credit enrollments are included in this report. The policy is consistent with National IPEDS enrollment reporting. Prior to the Fall of 2001 some degree credit enrollments taught under “continuing education” or “self-support” were not included in semester enrollment reports. It is estimated that no more than 1,300 additional headcount enrollments were added to the Fall 2001 Enrollment Report as a result of the policy change. Since most of these students were only enrolled in one course the policy change does not have a major impact on full time equivalent enrollments.

As part of an effort to provide complete and accurate enrollment reports in the Fall 2007 the census date for enrollment reporting became the end of the fourth week of class (20th class day). Enrollment reports prior to that time were based on an end of the third week (15th class day) census date. This change did not significantly change campus reported enrollment totals.

The Fall 2010 enrollment data initially reported by DSU was later determined to include non-degree credit or non credit enrollments. The DSU Fall 2010 Enrollments have been revised to reflect only the enrollment of students determined to be in degree credit courses.

State law and SBHE policy permit qualified high school students to enroll in college degree credit courses. This had been referred to as “dual credit” since these courses could also meet high school credit requirements; however, not all high school student enrollments are dual credit situations. Beginning with the Fall 2011 report the category previously titled “Dual Credit” has been re-named “High School Students Enrolled in College Coursework.” The state Department of Public Instruction provides official information on students in actual dual credit situations.

⁵ Subtracting column D from the sum of columns E and F may not exactly equal 100% due to rounding.

⁶ Columns E & F total more than 100% because of students enrolled in both on-campus and distance education courses.

⁷ Includes 28 students only taking non-degree credits courses (see Table 9A)

¹ Internet based (E-learning) categories are listed in more detail on Table 9A.

² Reflects enrollment in each distance education delivery method. If for example a student is taking both a correspondence course and an internet based course, this same student would be reported twice in the duplicated enrollment total.

³ Reflects unduplicated headcount enrollment for total distance education. If for example a student is taking both a correspondence and internet based course, this student would be counted only once in the unduplicated distance education total.

⁴ This is a conservative count of students known to be counted only once by a campus or the system for the system total. The actual unduplicated counts are probably higher for campuses with students with insufficient identification information. Students without sufficient identification information are assumed to be duplicates.

⁵ Students that are only taking non-degree credit courses.

⁶ Enrollments are unduplicated at campus level but are duplicated at system level. Thus, a student who is taking courses simultaneously at two different campuses would be included in the NDUS total twice.

North Dakota University System Headcount Enrollment 1981 through 2011

Students

Beginning with the 1997 full-time equivalent (FTE) number, the formula for calculating the FTE's changed. Prior to the 1997 data the total student credit hours were divided by 16 to get the FTE number. With 2006 FTE and later, the divisor was changed to 15. Reflects Fall 2010 enrollments corrected to report verified degree-credit students.
