ACKNOWLEDGMENTS

This publication reports the data submitted to the Integrated Postsecondary Education Data System (IPEDS) by the postsecondary institutions of the North Dakota University System. The North Dakota University System acknowledges the efforts of each institution for the attention to detail reflected in the quality of these data.

METHODOLOGY

Degree completion data presented in this report summarizes the data reported by each NDUS institution to the Integrated Postsecondary Education Data System (IPEDS) for the Summer 2014, Fall 2014, and Spring 2015 academic terms. Inclusive dates of degree completion are from July 1, 2014 through June 30, 2015.

IPEDS reported data includes student program completion by Classification of Instructional Programs (CIP) code and level of award (diploma, certificate, or degree). CIP codes were originally developed by the National Center for Educational Statistics (NCES) and consist of a taxonomy in which every postsecondary instructional program is classified by a six digit code. CIP codes are used in this Programs Completed report to identify programs in which NDUS students were awarded diplomas, certificates, or degrees. The table below identifies the IPEDS award level for completed programs, as well as the corresponding abbreviation used in this report.

IPEDS Award Level	Programs Completed report abbreviation
Postsecondary award, certificate, or diploma (less than 1 academic year)	<1 Yr Certificate
Postsecondary award, certificate, or diploma (at least 1 but less than 2 academic years)	1 Yr Certificate
Postsecondary award, certificate, or diploma (at least 2 but less than 4 academic years)	2 Yr Certificate
Associate's degree	Associate Degree
Bachelor's degree or equivalent	Bachelor Degree
Postbaccalaureate certificate	Post Bacc Certificate
Master's degree	Master Degree
Post-masters certificate	Post Master Certificate
Doctor's degree - research/scholarship	Doctorate Research
Doctor's degree – professional practice	Doctorate Prof Prac

Total degrees completed reflects both first and second majors in cases where dual degrees were reported. In total, NDUS institutions awarded 10,444 degrees of which 9,977 were first majors and 467 were second majors. This is an increase of 2.5% over the number of degrees awarded during the 2013-2014 academic year (10,192). A summary table by institution is presented in Table I.

Total program completion data is presented for the North Dakota University System. Additionally, there are collective summaries for Community Colleges, Regional Universities and Research Universities, as well as a breakdown summary for each of the eleven NDUS institutions.
