

## Public Administration & Services

The following matrix indicates those courses deemed transferable among institutions listed across the top of the matrix. The numbers on the matrix represent the number of semester hours associated with the course at each institution and which institutions have agreed to transfer the commonly numbered course in each row.

You can view the group leaders at the bottom of the page. If you are interested in printing this page, please note that it is best to print in landscape mode.

## Human Services

Prefix	Number	Gerta	Course Title	BSC
HMSV	130		Introduction to Human Services	3
HMSV	141		Supplemental Nutrient Assistance Program	3
HMSV	142		Medicaid	3
HMSV	201		Introduction to Addictions	3

### HMSV 130 Introduction to Human Services

This course provides an introduction to the helping and non-profit professions, including the various roles, functions, values, and personal attributes needed to function effectively in these careers. Included will be the history, practice setting, career opportunities, and philosophical concepts related to working with vulnerable populations.

### HMSV 141 Supplemental Nutrient Assistance Program

The purpose of this course is to introduce students to the Food Stamps program, examine the laws and policies that drive the program, and develop case management skills in administering the program.

### HMSV 142 Medicaid

The purpose of this course is to introduce students to the Medicaid program, examine the laws and policies that drive the program, and develop case management skills in administering the program.

### HMSV 201 Introduction to Addictions

This course is designed to provide current and researched information about abused substances as well as the people

who abuse those substances. Topics include theoretical perspectives on abuse, pharmacological characteristics of commonly abused substances, and stages of dependence and addiction. The following topics relating to various areas of human services will also be covered: working with dually diagnosed clients, chemical abuse by children and adolescents, codependency, and enabling.

The following individuals are leaders for this discipline. Those marked with an asterisk (\*) are chairs.
