Date Signature of Student
PURPOSE FOR REQUESTING STUDENT SIGNATURE ON CONSENT AND WAIVER FORM: Public Law 93-380, the Federal Family Educational Rights and Privacy Act of 1974, requires all who hold custody of student records to insure protection of personally identifiable information. Administration of WICHE Student Exchange Program requires the exchange of educational information about student applicants in order to provide for consideration of enrollment and transfer of funds by the state in the case of admission by the school. In order to facilitate exchange of necessary documents, the student applicant is asked to sign a "Consent and Waiver" statement.

Student willingness to sign a consent statement is not a requirement for participation in the program.

DESCRIPTION OF USE OF PERSONAL RECORDS: The program collects and uses information concerning student eligibility for the program; admission; enrollment; academic progress; graduation and/or termination from the professional program; and payment of fees by the state through WICHE to the receiving school.

CONSENT AND WAIVER

I understand that it is necessary to process student records in order to carry out the purpose of the Student Exchange Program, providing access to educational opportunities for residents of the western states.

I understand that the record-keeping process requires preparation, transmission, receipt, filing, and reporting of information appropriate to the effectiveness and continuity of the program.

I hereby consent to the transfer of personally identifiable educational records between and among the participants in the Student Exchange Program of the Western Interstate Commission for Higher Education to include the following:

Information concerning student eligibility, acceptance, and educational attainment
Information concerning fees paid by the sending state through WICHE to the receiving school
Lists of applicants certified as eligible for support
Admissions reports, withdrawal reports, and annual reports for WICHE Exchange Students
Support Agreement forms and invoices
Special letters of inquiry and response as required to address questions and concerns identified by program participants

I understand that the information referred to herein will be available only to Student Exchange Program staff members, designated institutional officials, and sending state officials as required to carry out their official duties.

I further consent to the transfer of all or a portion of the above educational records to admissions officers and certifying officers as required to accommodate the needs of the Student Exchange Program provided that the officers receiving the information will not permit any other party to have access to such information without the express written consent of the undersigned.

This information is exchanged between and among the certifying office of the student's home state; the staff of the Student Exchange Program, Western Interstate Commission for Higher Education; and the professional school(s) to which the student makes application and is admitted. The WICHE Commissioners of the sponsoring state may also review applications to consider eligibility of student(s).

Periodic accounting for the Student Exchange Program in the state and in the region may result in publication of reports which may contain the student's name, home address, year of enrollment, enrolling institution, and money spent by the state to support the student's effort to reach an educational objective.

NOTIFICATION CONCERNING STUDENT ACCESS TO PERSONAL RECORDS: Any student participant or applicant for participation in the Student Exchange Program has access to his/her personal records maintained as a part of the exchange activity. He/she may inspect and/or receive copies at a cost not to exceed the actual cost of reproduction.

STATEMENT OF INTENT
Certification for eligibility of support at all cooperating veterinary medical programs is based on the understanding that you are committed to remain in the degree program from the time of your first enrollment until completion of the course of study. Therefore, we have been requested to secure the following signed statement from each North Dakota certified veterinary medicine applicant:

As a certified WICHE applicant, I am aware that if the State of North Dakota pays support fees to defray the cost of my veterinary medical education. If admitted under the PSEP program, I am committed to pursue my studies in veterinary medicine as a supported exchange student without voluntary interruption until I have qualified for my degree.

STATEMENT OF UNDERSTANDING
I, ____________________________, understand that offers for support will be made to certified WICHE applicants based on the availability of funding from each state. Offers will be made according to a collective ranking of students by the participating veterinary medicine schools. It is to my advantage to apply to all cooperating institutions to be considered for admission. If I choose to apply to fewer than all programs, I risk receiving less than full consideration for available funding.

Individuals initially entering a professional student exchange program in veterinary medicine, dentistry, or optometry after June 30, 2020 are subject to service payback requirements and will be required to sign an agreement prior to payment being made to an out-of-state institution on their behalf. The agreement will include, at a minimum, the following requirements.

1. Payment may not be made to an out-of-state institution on behalf of an individual participating in a professional student exchange program in veterinary medicine, dentistry, or optometry unless that individual signed a legally binding agreement that identifies the amount of the award under the professional student exchange program.

2. If the individual who signed the agreement is not practicing veterinary medicine, dentistry, or optometry in this state within thirty-six months following graduation or upon leaving the education program, the individual must repay the amount of the agreement in full at that time.

3. If the individual who signed the agreement practices veterinary medicine, dentistry, or optometry in this state within thirty-six months following graduation, the balance of the agreement will be reduced by one-third, for each full year the individual continues practicing in the state. If the individual stops practicing in this state before the amount of the agreement is waived in its entirety, the individual shall repay the remaining portion of the agreement in full, from the date the individual stopped practicing in the state.

4. The repayment terms of the agreement may be deferred for an individual who is pursuing full-time graduate or postdoctoral studies or is called to active duty as a member of the armed forces.

As an applicant to the Professional Student Exchange Program, I understand that if selected for funding, I will be subject to the requirements of the PSEP Service Payback Agreement, which will be a legally binding agreement.
