

Position Title: **Project Manager**

Position#: 00104307
Full-time, benefited, exempt (from FLSA overtime), banded position

Salary: **\$62,000+ per year (dependent on experience)** plus a competitive benefit package including a generous retirement plan and employer paid family health insurance

Location: Grand Forks, ND

Closing Date: Applications received by September 10, 2019 will be given first consideration. Open until filled.

Job Description: Serve as project manager for specified NDUS projects and support functions of Enterprise Project Management. Work involves managing projects of small, medium and large size, scope, and risk with general supervision. These projects will be primarily for the Infrastructure and Operations Department and can be characterized as crossing multiple business units with similar or related functions; utilizing new or multiple technologies; high project visibility, impact, and risk; requiring reporting and communication at various levels. In addition to supporting the Enterprise Project Manager function, this position will work with many technical and management personnel from CTS, the 11 NDUS institutions, and appropriate NDUS Office executives. This position will report to the Lead Project Manager, P3/M and is located in Grand Forks, ND.

Minimum Qualifications:

- Bachelor's degree in Business, Management Information Systems, Education or a related field or equivalent combination of degree and work experience.
- Two years of experience in project management.
- Demonstrated project management, organizational and analytical skills.
- Previous experience managing project cost, schedule, scope, risks, issues and changes.
- Knowledge and previous experience working with various IT procedures and systems.
- Demonstrated experience in leading and motivating project teams including internal IT and business team members and external consultants/vendors.

- Ability to work independently, capable of organizing and prioritizing the work of self and others; handle multiple and sometimes conflicting priorities while maintaining quality and productivity.
- Demonstrated written/oral communication, presentation and interpersonal skills.
- Ability to effectively communicate to all levels of the organization.
- Demonstrated proficiency with project management tools and PC productivity tools.

Preferred Qualifications:

- Experience working in higher education.
- Certified Associate in Project Management (CAPM) or Project Management Professional (PMP) certification from the Project Management Institute or willingness to work toward this certification.
- Demonstrated proficiency with project management tools and PC productivity tools.
- Ability to travel within North Dakota

To Apply: Applicants should send a cover letter **specifically addressing the above qualifications**, a current resume, transcripts and the names and contact information (including telephone numbers and e-mail address) of three professional references, either electronically (preferred) to jane.grinde@ndus.edu or by mail to:

**NDUS
