This program recognizes outstanding North Dakota high school seniors for scholastic achievement as measured by their ACT scores.

Scholars will be announced in fall 2021 and will receive a letter from the North Dakota University System designating them as North Dakota Scholars. North Dakota Scholars who enroll in a North Dakota college or university will be awarded an in-state tuition scholarship. Students who attend a private institution will be awarded an amount not to exceed the highest public school rate in the state. Selection of students as scholars will be based on ACT scores. Not all students who place in the top ninety-fifth percentile will be awarded the North Dakota Scholars award due to limited funding. Awards are based on legislative appropriations.
