WHY USE FCP TOOL

See which students have/have not filed the FAFSA to better target your FAFSA-completion efforts!

Locate students that have filed the wrong FAFSA year. Students enrolling fall 2021 should file the 2021-22 FAFSA.

Prompt students that still have missing FAFSA information, such as a required parent signature.

HOW TO INCREASE FAFSA COMPLETIONS

- (1) Set a goal and a deadline with your students.
- (2) Create incentives for early completion.
- (3) Use the ND FAFSA Completion Project tool.
- (4) Share the Bank of ND college planning YouTube channel with your students and parents.
- (5) Spread awareness about the benefits of completing a FAFSA.
- (6) Debunk the FAFSA myths!
