Scholarship & Loan Repayment

We are seeking businesses to participate in this unique partnership!

This program is designed to fill positions at your business or grow businesses across the state. Driven by high-demand occupations in healthcare, manufacturing, IT, industrial and skilled trades, education, social services and professional services, investors can contribute to specific colleges, programs, or students. It is a win-win for businesses, students, employees and North Dakota!

\$1 of state funds are provided for each \$1 of private-sector matching funds, up to a total of \$17,000 per recipient! Individuals can receive a scholarship on the front end, loan repayment on the back-end, or both, for their commitment to the state to fill one of the high-demand occupations.

Be part of the solution to keep talent in ND.
