## We are seeking businesses to participate in this unique partnership!

The ND Career Builders program is designed to fill in-demand positions at your business and grow workforce across the state. Driven by high-demand occupations in healthcare, manufacturing, IT, industrial and skilled trades, education, social services and professional services, businesses can contribute matching funds to specific colleges, programs, and students to help meet their workforce needs. It is a win-win for businesses, students, employees and the State.

Your matching fund contributions are matched dollar-for-dollar by the State of North Dakota, up to a total of \$17,000 per recipient! Individuals can receive a scholarship while enrolled in college or student loan repayment once employed for their commitment to fill a high-demand occupation in North Dakota.
