PURPOSE & AWARDS

The Native American scholarship was established to provide scholarship awards to ND resident students who are enrolled members of a federally recognized Indian tribe and who qualify through an application procedure. The scholarship provides awards to qualifying undergraduate, graduate, or professional students enrolled at a state accredited institution of higher learning, or accredited career and technical education program with a physical presence in this state. A student may qualify for an award by demonstrating academic merit, or by demonstrating financial need.

ELIGIBILITY

1. Applicants must be an enrolled member of a federally recognized Indian tribe and a resident of North Dakota. Residency for each student shall be determined by the institution that student is attending.
2. An applicant must maintain a minimum cumulative grade point average (GPA) of 3.50 for a merit-based scholarship or 2.00 for a need-based scholarship.
3. Award amounts are set by the Native American Scholarship Board (Board) for fall and spring terms of enrollment. Summer awards will be considered by the Board if funding remains following fall and spring terms.
4. Students participating in internships, student teaching, teaching assistance, or cooperative education programs may be eligible for a scholarship award only if participation in that program is required for the degree and only if tuition must be paid for the credits earned.

The priority deadline for submitting a completed application is July 15 of each year. Applications received after priority deadline, or that have missing documents as of the priority deadline, will only be considered if funding remains after all eligible applicants as of July 15 have first been awarded.

APPLICATION PROCEDURE

Applications must include the following to be considered complete. It is the applicant's responsibility to ensure the application is complete and submitted by July 15 for priority consideration.

1. All application materials must be completed EACH YEAR by July 15 for priority consideration.
2. Verification of tribal enrollment (not required if applicant received an award disbursement in the prior year).
3. The most recent transcript showing cumulative GPA (high school or college **unofficial** transcripts are acceptable.) Grade reports and class schedules will not be accepted.
4. A needs analysis form or adequate substitute received from the college financial aid office.
5. Certification of ND residency from the institution.
6. The Free Application for Federal Student Aid (FAFSA). Do not send your FAFSA results to our office.

Native American Scholarship Board

SATISFACTORY PROGRESS POLICY

To continue in good standing a student must maintain at least a 2.00 cumulative GPA, meet the enrollment requirements of the program, and show continued financial need. If a student has at least a 3.50 cumulative GPA, they will automatically be considered under the “merit-based” rules. Students with cumulative GPAs of at least 2.00 but less than 3.50 will be considered under the “need-based” rules and must demonstrate financial need to receive the award. Students who do not meet the enrollment requirements, need-based requirements or merit-based requirements from term to term can lose scholarship eligibility. Grade point averages will not be rounded up in order to meet the GPA minimum requirements.

SELECTION PROCESS

All completed applications received by July 15 each year will be provided equal opportunity. Award priority for completed applications will first be given to merit-based applicants and then to need-based applicants, based on the priority selection process.

Any eligible applicant who is not offered an award but whose application was received by the priority deadline will be placed on a wait list for funds which may become available throughout the academic year. Applications received after July 15 will be considered only if all eligible applicants meeting the deadline are awarded and if funds remain. Late applications will be considered in date order received based on the priority funding guidelines set in the Administrative Rules.

APPEAL PROCESS

Any student who has been denied funding or who has lost funding may appeal to the Native American Scholarship Board.

1. A student must notify the Board that he/she is appealing in writing.
2. A description and explanation of the circumstances should be provided with any supporting documentation.
3. The appeal should be addressed to: Native American Scholarship Board, Attn: ND University System, 600 E. Boulevard Ave. Dept. 21, Bismarck, ND 58505-0602
4. The Board will consider the appeal and then contact the student regarding its determination within two weeks after it renders a decision.

SCHOLARSHIP PAYMENTS

Upon verification of enrollment from the school each term, a check shall be sent to the school to be applied to a student's account. The award may be used to pay the cost of tuition, fees, room and board, books and supplies, and other educational expenses, not to exceed total cost of attendance when other aid sources are taken into consideration. To qualify for the spring payment, the student must maintain either the merit-based or need-based requirements and meet the enrollment requirements of the scholarship.
